

Universal Carts

mobiLAB[®]

Store & Charge Cart | MOB-SC16S

As classrooms continue to experience the technology revolution it becomes more evident that your students and teachers need more than just a device. Mobile carts are no longer a luxury; they are essential for safety and mobility in your school.

DESIGNED FOR:

Tablets and Small Chromebooks

Ideal for smaller classrooms with up to 16 devices, this cart is practical and easy on your budget. Your mobile devices will be safely stored and will be conveniently charged ready for I.T. staff and student use.

FEATURES:

- Modular design makes part replacement much easier
- Choose from hinged or tambour door options
- Rear panel access for I.T. staff
- Rubber bumpers provide additional protection
- Handle can be mounted to either side of the cart
- 5" casters allow smooth mobility

EXTERIOR DIMENSIONS:

WIDTH	DEPTH	HEIGHT
35"	21"	37"

Universal Carts

mobiLAB[®]
